17 I, Darryl A. Smith, declare the following:

- 18 1. I am over the age of eighteen (18) years and am the Debtor in the herein  
19 bankruptcy case. I have personal knowledge of the facts contained  
20 within this declaration. These facts are true and correct to the best  
21 of my knowledge, and if called to testify as to these facts, I could  
22 and would do so competently.
- 23 2. I make this declaration because my annual income has been so low for  
24 several years that I have not been required to prepare and file annual  
25 income tax returns.
- 26 3. I am just coming out of a fully paid prior Chapter 13 case plan in the  
27 In re Darryl Arlando Smith, NDCA BK Case No. 18-41143 ("Prior Case").  
28

1 4. I had filed the Prior Case in 2018 because I had a spinal injury and the  
2 spinal surgery done on my spine failed, and I was completely disabled  
3 and unable to work. That was true before the filing of the Prior Case,  
4 throughout the five (5) years of its terms and to the present day.

5 5. This entire time, my sole source of income has been workers'  
6 compensation disability proceeds I've received in the amount of  
7 \$3,498.96 per month or \$41,987.52 per year.

8 6. I have been advised that the disability income I receive is of a low  
9 enough level that I need not prepare and submit annual tax returns each  
10 year.

11  
12 I declare under penalty of perjury that the above is true and correct  
13 and that this declaration is executed on the 27th day of February 2024 at  
14 Richmond, California.
